Rockwell Extra Bold

What stands out more than a bold print? Rockwell Extra Bold is bold serif font with a little extra bold. The stems, bowls and spines of the characters are wider than normal. The ears are thicker and block shape. Next to regular fonts Rockwell Extra Bold stands out like a sore thumb. That is a good attribute that can be used to display a title or show expression in writing. This font can also be seen on t-shirts and hoodies.

Edwardian Script

Edwardian Script is a hand written cursive style font that is also italic. The (x height) is normal size but the ascenders and descenders are exaggerated into the shoulders. The ears extend further to connect letters together. This font is emotional and passionate and is used on cards for a wedding or anniversary. Some jewelry pieces use the script for name plates or charms.

ALGERIAN

Algerian is a decorative serif digital font. This font does not have any lower-case characters, so it is caps only. The body is evenly spaced between characters and the ears are triangular shaped. The Ys and Vs ascend into the shoulder. The cross bars are bent or have a curved tip. The most common usage of this font is on the bottles of **PATRON**. Other places this font can be found are on signs and store fronts.
