

Edwardian Script ITC

Edwardian Script is a script font. It is distinctive in its cursive style with letters' tails and ears.

I chose this font, because I like cursives. Also it is different from two other fonts I chose above. I like the way capital letters are written in this font.

A B C D E F G H I J K L M N O P Q R S T U V W X Y Z

I would use this font for a wedding card invitation letter, a classical music concert program, or a college diploma.
